

Dear Guilherme,

I would like to thank you from the bottom of my heart for everything you did for me during the wonderful week I spent on the beautiful island of Madeira. It was an extraordinary experience, full of beautiful moments and memories that I will always keep in my heart.

From the very first day, I felt at home with you and your family. You all welcomed me with so much warmth, kindness, and care that I immediately felt like part of the family. Thank you for taking such good care of me, for all the conversations, trips, laughter, and beautiful moments we shared together.

Guilherme, thank you for your sincere friendship and for making me feel included in your everyday life. I also want to thank your little sister for her joy and positive energy, and your parents for all the attention, patience, generosity, and kindness they showed me throughout my stay. You truly have an amazing family, and I feel very lucky and grateful that I had the chance to meet all of you.

Madeira is a stunning destination, with incredible landscapes and special places, and your family made this experience even more beautiful. Thank you for taking me around the island and showing me so many wonderful places. Thanks to you, I was able to discover the beauty, culture, and spirit of this extraordinary place. It was clear that you all wanted me to enjoy every single day and have the best possible experience.

I would also like to thank the teachers who guided and accompanied us during this experience. Through their involvement and support, all the activities were interesting, educational, and very well organized. I also want to thank the teachers and staff of the host school for their warm welcome and for all the extraordinary activities prepared for us.

I came back home with a lot of new knowledge about VR & AR technologies, as well as valuable cultural experiences. I discovered wonderful people, interesting traditions, and spectacular places. I realized that Portuguese people are warm and welcoming, just like we Romanians are.

This experience helped me grow, become more confident, and build friendships that I hope will last for a very long time.

**With gratitude and affection,
Raul**

And we, Raul's family, would also like to sincerely thank Guilherme's family for the care, warmth, kindness, and hospitality offered to our son. We truly appreciate everything you did to make this experience so beautiful, safe, and valuable for him.

It means a lot to us to know that Raul was surrounded by such wonderful people during his stay in Madeira. Please accept our heartfelt gratitude, and we hope to meet again someday, perhaps even in Romania.

Dear family,

I would like to sincerely thank you for making my stay in Madeira such a wonderful experience. This Erasmus trip was very special for me, and a big part of that was because of the way you welcomed me into your home and made me feel comfortable from the very beginning.

I truly appreciated the time I spent with your family. Thanks to you, I had the chance to discover not only the beauty of Madeira, but also your traditions, daily life, and culture. I will always remember the kindness you showed me and all the moments we shared together.

Francisco, I especially want to thank you for everything. It was great to spend time together and continue the friendship we started when you stayed with me in Romania. Thank you for helping me feel at home, for showing me around the island, and for all the fun moments during the week.

This experience will stay with me for a long time, and I'm very grateful for everything. I hope we will meet again in the future. You and your family will always be welcome in Romania, and you will always have a place to stay at my home.

Best wishes,
Ruben

Dear family,

I wanted to send this message to express my heartfelt thanks once again for the incredible week we spent together in Madeira. This Erasmus experience was truly unforgettable, and that is mostly due to the wonderful way you welcomed me into your home.

I cannot tell you how much I appreciate that you never made me feel like just a guest or a tourist; instead, you made me feel like a true member of the family. Thank you so much for all the effort you put into showing me the hidden gems of the island and, more importantly, for sharing your culture and way of life with me. From the delicious traditional food to the charming daily routines, everything felt so authentic and special. Madeira is undoubtedly spectacular, but it was your warmth and hospitality that made the experience complete.

Catarina, I want to give you a special thank you. You went above and beyond to help me settle in so quickly, and I will always cherish the great moments and laughs we shared. You made everything so much easier and more fun!

I truly hope our paths cross again soon. Please know that you are always welcome in Romania, and you'll always have a place to stay with me!

Wishing you all the very best,

Mara
